

6. You should now see your printer listed.

7. When you are ready to print your document, select **File** menu > **Print**. As soon as you get to the print screen, BE SURE THAT YOU HAVE SELECTED THE CORRECT PRINTER. Click on the drop down list to select your printer. If your printer does not appear in the drop down list, you will need to add your printer by starting at Step 2 above.

The currently chosen default printer has a checkmark beside it. Select the printer you wish to print on.
